SciSol is a youth-oriented programme organized in connection with the 39th Kerala Science Congress to be held at St. Joseph's College (autonomous), Devagiri, Kozhikode. The initiative aims to inspire young minds to identify and propose scientific and technological solutions to societal issues in the district where the Kerala Science Congress is conducted. The forthcoming Kerala Science Congress is scheduled to be held in **Kozhikode District**.

THEME

- Participants are invited to identify pressing local challenges in Kozhikode District that can be addressed through scientific or technological solutions.
- Each team should propose a solution supported by scientific reasoning, innovation, and feasibility.
- Both conceptual and prototype-based proposals are welcome.

INSTRUCTIONS

- All submissions must be the original idea/ work of the team.
- The organizers reserve the right to modify programme details if necessary.
- Participants must adhere to the rules and the decision of the Expert Screening Committee and Judging Committee will be final.

AWARDS AND RECOGNITION

Selected teams will be given an opportunity to present their proposals during the Kerala Science Congress. Outstanding entries may be recognized with certificates of merit and the best entry will be awarded Rs. 50,000/- as cash prize.
